Please note that we will be meeting on the 2nd Thursday this month.

Our February program will feature Fenecia Redman, from Spinnaker Multi Media Solutions. Her presentation will focus on what multimedia tools do you need to build on marketing techniques? Tieback again as to how the use or purchasing of technology relates to the content, as well as the budget of a church’s culture. For example, everyone else is streaming, but should you?

Spinnaker is a Christian company that implements media solutions hardware to churches only. Fenecia is awesome and dynamic.

Please plan to join us on February 8th, and be sure to invite a colleague to join us.

If you plan to attend, please contact Patricia Kelly at office@wallingfordpres.org or by phone (610) 566-1644 no later than Monday, February 5th, so she knows how many to expect for lunch.

Don’t forget to mark your calendar for the seminar on April 5th, featuring Tim Cool, of the Cool Solutions Group. The topic will focus on facilities management. This will be a “don’t miss” opportunity to hear a dynamic presentation on building responsible stewardship for your foundational temple. Be sure to invite others.
