

## Meet Tim Cool

Tim Cool is founder of Cool Solutions Group, and has assisted nearly 400 churches (equating to over 4 Million square feet) throughout the United States with their facility needs.

He has collaborated with churches in the areas of facility needs analysis, design coordination, pre-construction and construction management, as well as life cycle planning/facility management.

Cool Solutions Group is also the developer of eSPACE Facility Management software products including Event Scheduler, Event Registration, Work Order Management, Life Cycle Calculator and HVAC Integration.

Tim is also the author of three books, *Why Church Buildings Matter: The Story of Your Space*; *Church Locality* (co-authored with Jim Tomberlin); and *Plan 4 It: The 4 Essential Master Plans For Every Church* as well as a church facility management manual entitled: *Intentional Church Series: Facility Stewardship*.

Tim lives in Charlotte, North Carolina with his wife of 34 years, Lisa, and supports his triplet college students at Appalachian State University.

Tim is a regular at the TCN National Conferences each year, providing breakout sessions in the area of facilities management.
